

BIT CENTER TIJUANA

2018

BIT Center is a non profit organization supervised by the board of directors conformed by **private initiative government** and **academy**

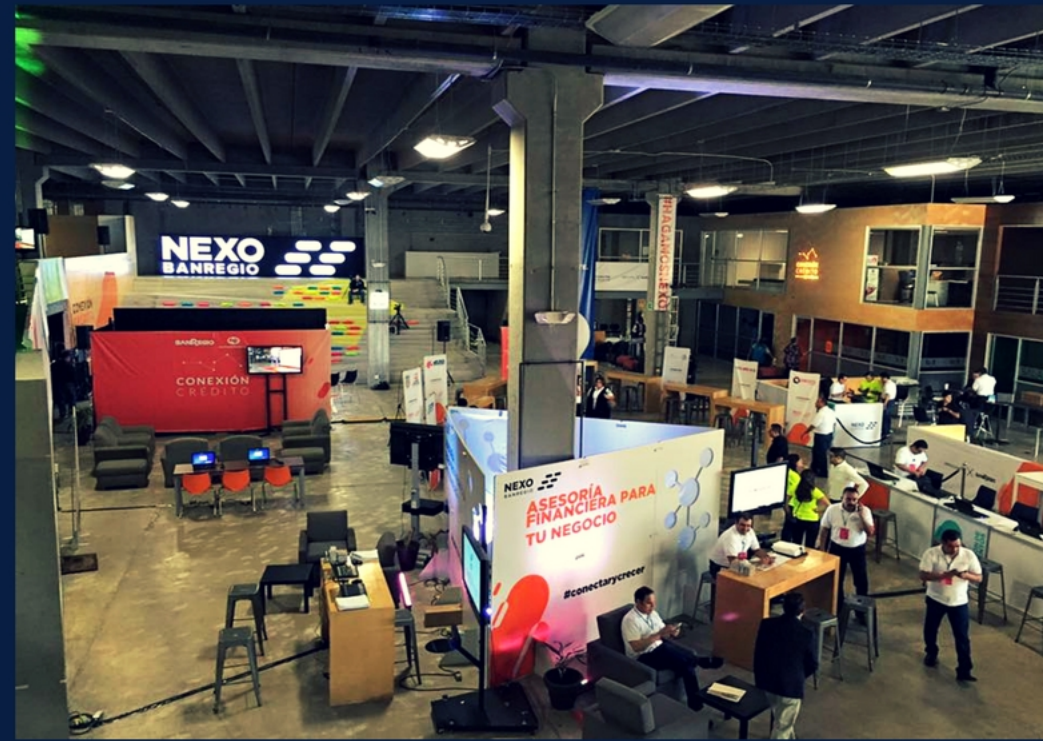

Our goal is to support STEM (Science, Technology, Engineering and Math) companies by supporting start ups and promote specialized training for students and engineers

Our second goal is to foster activities that help increase IT adoption in Tijuana`s economy & society. **We want to make Tijuana digital savvy town**
