Inspired Giving. Meaningful Change.

# Why do donors turn to ICF?

- **30 years of experience in the region:** ICF's team of international development and nonprofit professionals offer first-hand knowledge of the communities, projects and programs we support. We have a completely bilingual team to work with local groups.
- **Fine-tuned ethics and due diligence process:** ICF grant management processes ensure that donations are given to reputable causes and used properly.
- **Flexible and nimble grantmaking:** ICF has granted to over 516 nonprofit organizations in 24 countries and works with our donors to contribute to the causes they care about.
- **Trusted by both donors and grantees:** "ICF is a loyal, reliable partner not only for its donors, but also the communities that they serve and issues that they work for."  
-Christy Walton

All contributions are **legal, fully tax-deductible, and monitored by ICF staff.**
