impact of the Coronavirus Pandemic on the city
of Tijuana.**

About Us

We're a group of driven people, charities and companies working together with the objective of bolstering Tijuana's health sector in order to combat the Coronavirus Pandemic. We are achieving this in 2 ways.

1. By supplying much needed PPE (Personal Protective Equipment) to medical professionals and staff.
- ~~2. By increasing the medical infrastructure capacity by 60 beds in a temporary hospital.~~ **Mission Accomplished!**
3. New Medical supplies and new challenges bring new necessities
