HEALTH TOURISM NOW HAS A VENUE

WE-CARE

Quartz Hotel & Spa is designed to take care of our guests when they need it the most, in a relaxation and wellness atmosphere, offering an assortment of We-Care amenities, since we pay special attention to our areas care, functionality and safety.

We offer a high-quality alternative for those who practice health tourism, with benefits that exceed all expectations. A token of this is our We-Care Lounge, where we provide top-shelf service in fully equipped facilities; a delicate balance between relaxation, comfort and personalized attention.

Rooms on We-Care floors were designed with our guests needs in mind. Therefore, our facilities offer comfortable, relaxing and therapeutic spaces, which guarantee a truly delightful stay.
